

CP-3020DU

DIGITAL COLOR PRINTER

High Resolution, High Speed Digital Color Printer Providing Full 8 x 10 and 8 x 12-Inch Prints

High Speed
Printing!

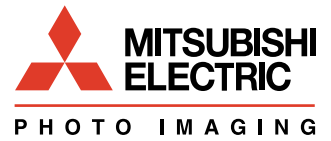

The CP-3020DU provides full 8 x 10 and 8 x 12-inch prints, as well as multiple size prints on a single A4 size sheet.

The CP-3020DU is an affordably priced digital color printer providing photo-quality 8 x 10 and 8 x 12-inch color prints. Whether you are a professional photographer working in the studio or on location, or an enthusiast just wanting to create photo-quality prints, the CP-3020DU is the solution. Not only does the CP-3020DU deliver exceptional print quality in either glossy or matte finish, it delivers it exceptionally fast – less than 77 seconds. Plus, the laminate overcoat provides fade, fingerprint and water resistance for lasting durability. Mitsubishi is unequalled in its commitment to the photo imaging marketplace with over two decades of manufacturing experience and technology leadership. The CP-3020DU continues in this tradition with dazzling color and photo-quality reproduction.

CP-3020DU

DIGITAL COLOR PRINTER

If You Can Create It, We Can Print It.
