Important Information to Mitsubishi Authorized Photo Resellers

- This document along with the Supplemental Survey must be included (and completed in full) with your standard purchase order for DPS Click orders.
- It is very important that End User information & Approvals are included for accurate system configuration and processing.
- Upon completion of this DPS Click order form you will receive an order confirmation; Both the Reseller & End User will be informed of an Installation appointment within 48 business hours. DPS Click orders will be shipped out within 10 business days (based on availability) from Mitsubishi warehouse to Dealer.
- No Charge Standard Installation & 1 Full Hour of Training MUST be completed within 60 days of Purchase (End User purchase from Dealer); unless otherwise approved by MDEA IPD Marketing.
- All DPS Click orders include a "Standard" on-site installation at End User site only; along with 1 Full Hour of Overview Training. ("Overview" training is based on the "DPS Click Quick Reference Guide" that is included in the box of the unit.)
- DPS Click "Standard Installation" is limited to Mitsubishi products ("product bundles") that are listed on this document.
- This document also serves as the "Registration" document for software updates and information for End Users.
- Technical questions on DPS Click should be directed to our Mitsubishi Technical Support Hotline 888/307-0309:
Hours of Support: 8am-5pm PT.
- Any promotions and/or special offers can be viewed at: <http://www.mitsubishi-imaging.com/docs/info/promo.asp> or please contact our Information Line at 888/307-0388.
- Mitsubishi Digital Electronics America, Inc. ("MDEA") reserves the right to change and/or terminate this program at anytime without notification.
