

PC Event™

Now included with the
Mitsubishi CP-8000DW
and CP-3020DU printers

PC Event™

Capture and deliver high quality images for on-site events, quickly and efficiently. Easy to use, processes are streamlined to manage the demands of large event production.

Portable

PC Event is a perfect customizing solution for on-location settings or for use in the studio. This flexibility enables print package delivery in minutes.

Easy-to-Use

Whether you have part-time or full-time staff, they will enjoy the simplicity of PC Event's snap, click and print operation to keep the lines moving and money coming. Select the sheet or package preferred and print — it really is that simple.

Versatile

Excite your customers with the quality of your images and the output you provide. PC Event is ideal for volume events including dances, golf tournaments, Santa and Easter Bunny portraits, Bar Mitzvahs, tradeshow, conventions, family portraits, or theme parks.

Now included with the CP-8000DW and CP-3020DU printers
